### REMINDER

Drawing changes may also require changes in the specification, e.g., if Fig. 1 is changed to Fig. 1A, Fig. 1B, Fig. 1C, etc., the specification, at the Brief Description of the Drawings, must likewise be changed. Please make such change(s) 37 CFR 1.312 Amendment at the time of submitting drawing changes.

## INFORMATION ON HOW TO EFFECT DRAWING CHANGES

### 1. Correction of Informalities--37 CFR 1.85

The new drawings with the changes incorporated therein. The application number or the title of the invention, applicant's name, docket number (if any), and the name and telephone number of a person to call if the Office is unable to match the drawings to the proper application, should be placed on the back of each sheet of drawings in accordance with 37 CFR 1.84(c). Applicant may delay filing of the new drawings until receipt of the Notice of Abandonment (PTO 01-37). Extension of time may be obtained under the provisions of 37 CFR 1.136. The drawing sheet should be filed on a separate paper with a transmittal letter addressed to the Drawing Review Branch.

### 2. Filing of Corrections

Applicant is required to submit acceptable corrected drawings within the three-month shortened statutory period set in the Notice of Abandonment (PTO 01-37). If a correction is determined to be unacceptable by the Office, applicant may change to have acceptable correction(s) filed within the original three-month period to avoid the necessity of obtaining an extension of time and paying the extension fee. Therefore, applicants should file corrected drawings as soon as possible.

Failure to take corrective action within set or extended period will result in **ABANDONMENT** of the Application.

### 3. Corrections other than Informalities Noted by the Drawing Review Branch on the Form PTO 948

All changes to the drawings, other than informalities noted by the Drawing Review Branch, **MUST** be approved by the examiner before the application will be allowed. No changes will be permitted to be made, other than correction of informalities, unless the examiner has approved the proposed changes.
